

REMARKS

Claim 47 has been amended to correct an editorial error. In particular, the phrase "wherein the second code is fixed" has been deleted. This phrase was inadvertently added by the Amendment mailed on November 28, 2006, and is duplicative of language already included in claim 47 (see the "second code" element of claim 47).

Additionally, Applicants direct the Office to an inadvertent error in a claim qualifier in the listing of the claims of the Amendment mailed on November 28, 2006. In particular, claim 65 was inadvertently labeled "Original" when, in fact, it should have been labeled "New." In the present amendment, claim 65 is correctly labeled "Previously Presented."

Respectfully submitted,
